

November 2019 Minutes (by, Elsa Roberts)

Parent Social (Dawn) Focus on Community Building, brainstorm

- Restructured OSPTO looking to build community, brainstorm, and get parent suggestions
- Ideas for Parent Social -
 - Silent auction
 - Call to students - art made by students to auction
 - Held at Long Board (full bar & bartenders) or Moose Lodge (extra cost for bartenders & Full bar)
 - Put signs up with OSPTO goals (could look like OHS Budget Form)
 - Teachers could bring their old items as a visual of what is needed.

Add budget to this minutes email

Parent asked about teachers' needs, from tissues/wipes/etc.

- Back to school night - bring tissues/wipes
- Mr. Menard (teacher) says curriculum stuff is what's needed. Gave example of outdated science supplies.

Re: Auction: take Gary Lorenz (paraprofessional of OHS) up on using his skill as auctioneer. We'd need to coordinate with him. (Might use next time, short notice)

Donation Letter from *school* sent in August and January to be sent to *OSPTO* in mail/attach in email

OSPTO should have insurance! Elsa will look into this. (not sure if there ever was insurance, since there weren't any events held that could really need it. We will need it moving forward)

As discussions continue, topics keep tying back as to why the parent social is necessary

PayPal Donation button on website is for Oceana High School. We should put OSPTO links, too. (Would this interfere with OHS PayPal?)

Indy flick called "Like" to bring to OHS, OSPTO can host.

- License is \$500
- Sell tickets, snacks, etc

Pacifica Resource Center came at top of meeting to collab with ALL schools to collaborate/provide help with families in need.
